

BEACHFLAG

I. Installation of flagpole

A + B + C

BEACHFLAG

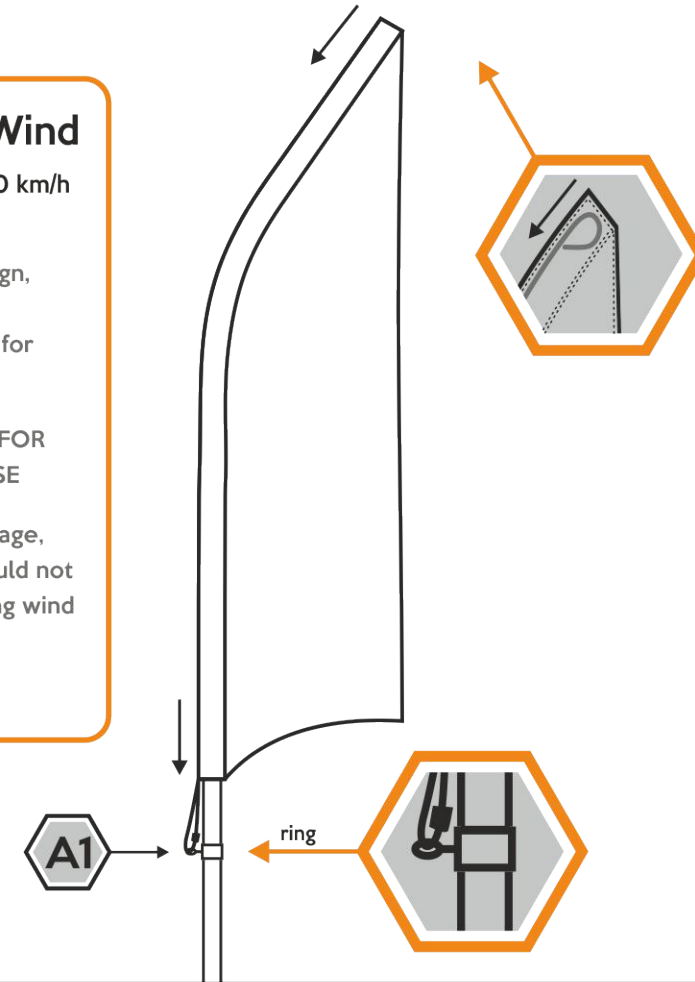

II. Installation of flag

  **Wind**
max: 20 km/h

Thanks to its lightweight design, beach-flags are intended solely for temporary use.

NOT SUITABLE FOR PERMANENT USE

To prevent damage, beach-flags should not be used in strong wind or storms!

N.B.:

 Please be advised that the flag should be washed before first use.

Care symbols:      100% POLYESTER
